

MADOC TOWNSHIP

Bi-Weekly Blue Box Collection Schedule

Most households in Madoc Township will receive roadside blue box collection every other Monday. The blue area will be collected in week one and the green area in week two.

Specific collection days for blue and green areas are listed below.

The colours on this map (blue and green) represent 2 things:

- 1) The Monday that you will receive blue box collection (as per the schedule below)
- 2) The side of the road that you should place your blue box on for collection. Be sure to place your recyclables on the same side of the road as that represented by the colours (blue or green) on the accompanying map.

All Holiday Monday Collections will proceed uninterrupted, with the exception of Christmas 2006, which will be picked up on Dec. 23.

Be sure to have your recyclables to the roadside by 7:00 A.M. on your collection day!
