6. Reeve Blackburn presents his inaugural address

Reeve Blackburn thanked Centre Hastings for attending the inauguration; Mayor Tome Deline, Deputy Mayor Eric Sandford and Councillor Kevin McLaughlin. He recognized previous Reeve Bob Sager and what a great job he did being part of Madoc Township Council for 33 years.

This new Council is going to have a lot of work to do and will face many challenges. Reeve Blackburn looks forward to working through those challenges and working with a strong team. Running for Reeve was not about rank or power for Reeve Blackburn, he felt that it was time for him to make a move.

Reeve Blackburn recognized that Council members would not be able to do what they do and spend as much time focused on the Township if it wasn't for the support from their families.

There was some reminiscing about playing hockey in the 70's and 80's with Deputy Reeve Larry Rollins; Reeve Blackburn is looking forward to working together the same way that they played hockey together.

In closing Reeve Blackburn hopes to work closely with our neighbours Centre Hastings. The Tri-Area Medical is a great example of how we can work together. Reeve Blackburn said "If they grow, we grow and if we grow they grow"
