TENDER REQUIREMENTS

1. The correct Tender Form as supplied by the Township for this contract must be used and in possession of the Township of Madoc before 12:00 Noon, local time, of the Tender Closing date listed on Page 2 of the Tender Form. Tenders shall be submitted in a sealed envelope clearly marked: **Cooper Road Shouldering -2020.**
2. The Tender must be legible, and all items must be bid with the total price
3. The Bid must not be restricted or limited by covering letter or alteration of the Tender Form supplied by the Township.
4. Adjustments to a Tender by fax, e-mail or letter are not permitted. A bidder wishing to alter the Tender must first withdraw the Tender and submit a new Tender.
5. The Tender Form must be signed and witnessed on the spaces provided except in the case where a duly appointed officer of a Corporation may sign and affix a Corporate Seal.
6. **The township reserves the right to reject any or all of the tenders or to accept any tender.**
7. The Township reserves the right to award this Tender in whole, or in part, to one or more contractors.

(B) SPECIAL PROVISIONS

Scope of Work

Work will consist of Shouldering of Cooper Road back to the edge of the shoulder or as directed by the Roads Superintendent. Prep work remove the existing material to a maximum of approximately 4". Spread 5/8 limestone. Slope to MTO standards and pack

The Roads Superintendent has the right to accept or reject the equipment to be used based upon its condition.

The Roads Superintendent may, in writing, discontinue or delay any or all of the work when, in the opinion of the Roads Superintendent it is unwise or unsafe to proceed and work shall not be resumed until so advised by the Roads Superintendent in writing.

Payment will be based on hours at the end of each month. Hours shall be agreed upon between the Contractor and the Roads Superintendent. The Contractor shall submit a monthly invoice for payment.

The Township of Madoc assumes no liability whatsoever for any damage or injury. The Contractor shall provide proof of Liability Insurance (\$3,000,000. Minimum). The Contractor shall also provide a valid certificate from the Workplace Safety and Insurance Board.

The Contractor shall provide his own Traffic Control as set out in Book 7 (OHSA).

Bidders note that, where the provisions of Ontario's Occupational Health and Safety Act and Regulations apply to the services provided under a contract resulting from this Tender, all responsibilities and obligations imposed upon the Contractor under the Act must be assumed by the Bidder. All costs for services/materials required for these obligations should be included in the cost quoted in the Tender.

Should the Township be aware of any violations of the Act and/or Regulations, a notification will be made to the appropriate authorities. Where so warranted, work could be suspended or terminated.
