

MEDIA RELEASE
-Change in Hours-

Start date: Oct 5, 2020

End date: Oct 30, 2020

The Self-Serve Recycling Depot at our Material Recovery Facility located at 270 West Street, Trenton, now has reduced hours. Effective immediately our hours are 8 am – 4 pm. Our office still remains open until 5 pm. Hours for our large electronic waste drop off still remains the same. Hours of operation are 8 am until 2:30 pm.

As a reminder, this is a self-serve service and is not monitored at all times. Social distancing is required. If another resident is using the depot, consider waiting until they are finished. When entering the office, please wear a face covering. This area is small and does not allow for adequate social distancing. Only one person in the lobby at a time is allowed.

For more information on how Quinte Waste Solutions is responding to COVID-19, or how to properly sort your recyclable materials, please visit our website at quinterecycling.org.

Quinte Waste Solutions (QWS) is the municipally operated organization responsible for blue box recycling and hazardous and electronic waste diversion programs throughout Centre and South Hastings County and Prince Edward County. We have been working with our nine member municipalities since 1990 to keep recyclable material, including hazardous waste, out of the landfill.
